—Attend the  
—Harvest Home  
—Picnic and Old Set-  
—Tiere's Reunion in the  
—Court Yard Park, Oregon,  
—Mo., Saturday, September 1st, 1883.  
—An elevator is badly needed at Forest City.  
—W. H. Stretcher is offering his entire stock of goods at cost.  
—Mrs. John Ruhl, of New Point, was in St. Joseph last Tuesday.  
—Steve Lucas is selling fruit barrels as fast as one man can put them up.  
—A very pleasant party was had at the city hotel last Friday evening.  
—About twenty cars of wood are being shipped weekly from Forest City.  
—Wayne and Bob Gillis, of Mound City, were in Oregon Monday, on business.  
—Leigh Irvine passed up the road last Tuesday, on his way to Lincoln, Nebraska.  
—Mr. Quick and family, of Forbes township, have returned from their western trip.  
—A. Hartman made a shipment of 1,648 pounds of wool to New York, on Monday last.  
—Some of the spring chickens we are fed on sprang into existence about five years ago.  
—If Kaucher's boat should capsize on the way from Corning to Oregon, it would be a legal case.

—It will be a rare visit to Oregon on Sept. 1st, to see the display of the Holt County Horticultural Society.  
—About seventy-five barrels of apples are shipped daily from Forest City, and this is the largest part of the season.  
—Charley Dryden, one of the most popular young men of Pleasant Hill, Mo., is the guest of his sister, Mrs. Mary Stierrett.

—The religious agency of the Christian church will give an entertainment Saturday evening, Sept. 1st. See program elsewhere.  
—Mrs. Parrish and children, who have been visiting relatives in Iowa for several weeks, returned to their home on last Wednesday.

—During the camp meeting which is now in progress at the Zachman grove, there will be three services daily—at 10 A. M., and at 2 and 7 P. M.  
—Mr. Kunkel requests us to inform those interested, that hereafter bathing in his pond will only be permitted on Friday evenings after nine o'clock.

—How little we know of what is in the bosoms of those around us. An examination too often develops nothing but rage or some other worthless stuff.  
—Wm. Wright and Wm. T. Redmond of Craig; Wm. Hopper, of East White Cloud and W. F. Randall of Clay township, were visitors in our city the past week.

—J. A. Palmer, of Clay township, will shortly remove to Johnson county, Nebraska. He was in the city Monday, and filed his resignation as constable of Clay township.

—Fall plowing is going on in all parts of the county and seeding will begin September 1st. The breadth of wheat sown this fall will be nearly double that of last year.

—A new iron bridge will be put in over Mill Creek by the railroad company, on the line of their road. The roadbed and bridge will be raised some two feet higher than heretofore.

—Ed Messenger, of Maitland, Thos. Cotter, of Oregon, John G. Fries and Era McIntyre, of Upper Holt, were in Oregon the past week, and each purchased a Studebaker rig from Dan Martin.

—Early this season the county put in a temporary bridge on the Forest City road, and immediately thereafter a notice was posted on it, warning the public of its unsafe condition. No effort has yet been made to make it safe.

—All singers in and near Oregon, are requested to meet at M. E. Church on Monday evening at 8 o'clock, to prepare for the singing exercises for the Harvest Home. Bring your books. It is desired by the committee, that all singers will participate, and interest themselves in the matter upon this invitation.

—The people of Oregon have shown a very creditable disposition in regard to the road from this place to Forest City. They have furnished all the means to repair the injuries to the road caused by the heavy rains of the summer, and moreover have reduced the grade of the big hill beyond Mrs. Pike's very much. The county court should refund at least part of the money spent.

—The question of abating the mill dam on the Tarkio is beginning to agitate the minds of some people. No doubt the health would be improved by its removal, and less injury would be caused by overflow to the crops in the growing season. There is a remedy for all this, and the remedy is to buy out the owners, and remove the dam in this way, than by any other.

—On Sunday evening last, while Charles Foster was driving cattle into the city for auction, he was thrown from his saddle by the horse stumbling and turning a complete somersault, the horse falling upon Charles with such force as to fracture the left thigh. The accident occurred in the widow Conn's pasture some three miles from the city. He was taken to the residence of Mrs. Conn, where he was well cared for. His parents and surgeon were soon at the sufferers bedside and he was removed to his home, though not without great pain to the unfortunate young man. Immediately on his arrival home the limb was properly set by the attending surgeons, and the sufferer is now doing as well as could be expected.

—Circuit court next Monday.  
—Remember the Harvest Home at Oregon, Sept. 1st.

—M. W. Drury, of Mound City, was sight seeing in St. Joseph, Friday.  
—Miss Mattie Martin, of Clarinda, Iowa, is the guest of grand-ma Nies.  
—Mr. J. T. Hughes has purchased the Jacob Brown farm in Nodaway township.

—Corn is maturing rapidly, and notwithstanding the loss by flood, will be a huge crop.  
—The claims for tobacco rebate now exceed \$5,000,000 and several "chaws" to hear from.

—Miss Poulette, the charming belle of White Cloud, Kansas, was in our city Friday evening.  
—John L. Elder will go to Johnson county, Kansas, in a few weeks, on a visit to friends.

—Mr. Will Kissick, wife and daughter of Lincoln neighborhood, have returned from their visit to Kansas.

—Services Sabbath morning and evening at the Christian church. Subject for morning discourse: "My Kingdom is not of this Earth."  
—James J. George, of Fillmore, one of Andrew county's live farmers gave us a pleasant call Saturday. He left his name for THE SENTINEL.

—Remember that H. E. Peret is still in the lightning rod business. Being one of our best citizens, whatever he tells you he will do as he is told on.

—Those farmers who have threshed their wheat will confer a favor on us by sending on a postal card the number of bushels threshed and from how many acres.

—Mr. Will Campbell, of the Times local staff, left Thursday for Sweet Springs to rejoin his wife who has been spending the summer there. He will return to town Monday. —Modern Argosy, K. C.

—We are sorry to learn of the continued illness of Miss Annie Conn, of the Culp neighborhood. The family, consisting of Mrs. Conn, Jimmie and Annie, will leave in a short time for Colorado for the health of Miss Annie.

—The best and most sensible piece of work ever done on a road in Holt county, is that just completed on the Broad back hill, on the Oregon and Forest City road, by Jas. R. Brown. As a road maker he is a success. We ought to have a few road overseers like Brown.

—Grant Napier and John Shunk were arrested Tuesday for burglarizing the store of V. L. Girsham, of New Point. The arrests were made by constable Carson and his deputy Charles Painter. Their preliminary examination will be held to-day, Friday, before Esq. McDonald, of New Point.

—Last Wednesday Mr. Thomas Warner met with a painful accident. While loading some hard wire, a spool of it started to roll off onto his spine of muscles. Mr. Warner caught it with his bare hands and pulled it back into the wagon. His hands were lacerated in the terrible manner, being cut to the bone in five or six different places. —Maitland Independent.

—Mr. L. N. Howard has just returned from Southern Kansas, and is elated with that country. He brought some samples of wheat and corn that were raised on the farms of Mr. Smith and Mr. Copeland, former residents of this country, that are hard to beat, but we think Holt county can equal it; and we are certain she can be depended on.

—The Jennie Holman Combination, Otto H. Krause, Manager, commence a week's engagement in Oregon, Strecker's Opera House, Monday, September 3rd, with new plays, wardrobe, scenery, etc. As this is the second visit of this company to our city, it is unnecessary for us to say anything in regard to the merits of the company, only that it is first-class in every respect.

—The Holt County Horticultural Society will join the Harvest Home September 1st and will not have a meeting September 15th as appointed. Every member of the society is requested to make a big effort to bring apples, pears, and send other fruit as they may have, also all vegetables, especially potatoes. A select will be made from this collection, and taken to the St. Joseph fair the next week, and to the Nebraska State Fair the week following, and a display will be made in the Maitland fair also. This exhibit will be made in the name of the Holt County Horticultural Society, and now is the time to advertise the county, no better opportunity has offered to doing to the notice of the public our ability to grow fruit in great abundance and of fine quality. Let every member put his shoulder to the wheel and give one grand push.

—Mr. Willis will teach the Maitland school.  
—Mrs. Lottie VanBuskirk is visiting in Nebraska.  
—N. B. Irwin will take a trip to St. Louis during fair week.

—Miss Emma Dibble will leave this week for a visit among friends in Holton, Kansas.

—Matt and George Thomas are breaking eighty acres of land which they will sow to fall wheat.  
—We are glad to learn that Mrs. Judge Anderson is much better, and is now able to be out.

—Mrs. J. G. Cowan and her sparkling daughter, Daisy, are visiting among relatives in Arkansas.  
—Bring specimens of your fruits, grain and vegetables to the Harvest Home, Oregon, Mo., Sept. 1st.

—Mrs. David Kennedy, of Maitland, was among her many friends in Oregon, several days the past week.

—Henry Kostock, one of our most prominent young men, will attend the M. E. college at Glasgow, this winter.  
—Owing to the inclemency of the weather the dance at the City Hotel last Friday evening was not well attended.

—A match game of base ball will probably be played in this city next Saturday between the New Point and Oregon nines.

—Miss Annie Fiegenbaum, after a visit of three weeks with friends in Oregon and vicinity, returned to her home in St. Joseph, this week.  
—Mr. J. S. Kyle, of Upper Holt, gave us a pleasant call this week. He sold two town lots in Mound City last Monday to James Carson for \$1,200.

—Stand privileges for the "Harvest Home" Picnic and Old Settlers' Reunion to be held in the Court Yard Park, Saturday, September 1st, will be sold next Saturday, August 25th, in the Court Yard.

—A much needed need in Oregon is some place where one can take a bath. Some of our citizens have both rooms in their residences, and if some enterprising individual would only fit up bath-rooms for the use of the public, it would undoubtedly prove a paying institution.

—Johnny Colvin's smiling countenance can now be seen behind the counter in T. L. Price's hardware store, having taken the place of Mr. Sol Kunkel, who will reside in the vicinity of New Point for several weeks, and then go to St. Joseph, where he has a situation. We are sorry to have Sol leave us, but hope it will be for his gain.

—Mrs. Susanna Kennedy has sent us magnificent specimens of the "Superior Pippin" apple and the "Transcendent" apple. Such specimens as these should be sent to our fairs, and we hope Mrs. Kennedy will send a liberal supply to the Horticultural Society to be placed on exhibition at our "Harvest Home".

—Clarinda is to have the Wabash Cannon Ball train on and after the 20th inst. This train will be for same as the main line numbers One and Two, and the C. B. & Q., and will pass this city going east about 7:30 P. M., and going west 8:00 A. M. This will compel the C. B. & Q., if it desires to retain its Chicago, and local travel west, to give us a morning train down, or at least a connection with the mail trains in daylight. —Clarinda Herald.

—A paper works for its own town, does something every week to build up the place, advance the interests of its citizens, draws trade, puts money into the pockets of the business men, and adds to the well being and prosperity of all. By some this is appreciated. Wide awake, liberal minded business men reciprocate for all and general and special favors, by a liberal patronage. Occasionally, however, may be found a few small soul individuals, who prefer to sponge off their neighbors, and pick up what trade they can that is drawn to their place by their enterprising dealers and pay nothing for it.

—A correspondent at Craig asks us to publish the law, relating to druggists, passed by our last legislature. We have published this law in full in a former issue of this paper but for the benefit of "A" we re-publish section two of the Act: "No druggist or pharmacist shall, directly or indirectly, sell, give away, or otherwise dispose of intoxicating liquors of any kind in any quantity less than one gallon, for any purpose, except on a written prescription, signed and dated, first had and obtained from some regularly registered and practicing physician, and then only when such physician shall state in such prescription the name of the person for whom the same is prescribed, and that such intoxicating liquors are prescribed as a necessary remedy; provided, that any druggist or pharmacist may sell or give away, in good faith, any wine for sacramental purposes. Any druggist who shall violate any of the provisions of this section shall be deemed guilty of a misdemeanor, and on conviction shall for the first offense, be fined not less than \$100 nor more than \$500, and for the second offense shall on conviction, in addition to such fine, have his license as pharmacist revoked."

—Miss Dora Barnes, of St. Joseph, is in the city.  
—Miss Mary Kaucher is visiting relatives in Chicago.  
—J. Sayers, of Fillmore, was in town a few days this week.

—September 24th, Nodaway county will vote on the stock law.  
—Program of the Harvest Home exercises will be published next week.  
—Eliam Hunter left Monday for Hitecock county, Nebraska, his future home.

—In our next, we will publish an interesting letter from the pen of W. H. Springer.  
—Miss Lillie Kaucher was in attendance at the teachers institute at Troy, Kansas, last week.

—George Allen and John Kaucher have returned from their tour of observations through Dakota.  
—Henry Bergman, of the firm of Bergman & Wilson, St. Joseph, is visiting friends in Holt this week.

—Vennor says September will be a very warm month. It is our opinion that it will be the very opposite.  
—Married, on the 16th inst, by Esq. Hoffmann, Mr. Wm. Crawford and Miss Martha E. Field, both of Mound City.

—Miss Mattie Glenn, after a month's visit with friends in Clay township, returned to her home near this city on last Tuesday.  
—Mrs. A. S. Conn and daughter, Anna, will leave in a few days for Colorado. Mrs. Conn goes in the hopes of restoring her daughter's health.

—Judge Kelley has granted the mandamus, compelling the County Court of Nodaway to issue a dram shop license to M. Hilbert, of Maryville.  
—Proctor's land is engaged to play at Maitland during the fair, so we understand. It seems to us as though the Mound City or Oregon band should have had this job.

—Miss Kate Embree, Miss Anna Ish, of Denver, Colorado, and Mrs. L. Embree, of Arkansas, are being most royally entertained at the residence of A. B. Brady near Oregon.

—While wondering in search of locals, one day last week, we dropped in to the Probate Court room and found his honor, Judge Knowles busily engaged in transacting business. It was observable that but little if any time was lost in attending to the wants of all who called.

—When in St. Joseph attending the exposition, drop in at the palace dry good house of Townsend, Wyatt & Co., cor. 4th and Felix sts. They will treat you gentlemanly and receive you with a hearty welcome. Their goods are put down at the lowest figures and of the best quality.

—A gentleman of this city picked up a tobacco advertisement which was an exact imitation of a five dollar bill. It was not so good as the real thing, but was purposed to fool some one. The gentleman quickly slipped the wealth in his pocket and walked off with as much dignity as Vanderbilt.

—The secretary of the State Horticultural Society requests the Holt County Society to send specimen for exhibition at the Philadelphia Pomological Exhibition. Our society has decided to forward the premium varieties offered at our Harvest Home. Every fruit grower should send sample specimens without fail.

—We call the attention of the many patrons of THE SENTINEL to the advertisement of those popular dry good merchants at St. Joseph, Chambers, Marney & Co. It will more than pay you to see them and make your purchases. They can be found on Felix between 2nd and 6th streets, where you will be greeted by their numerous clerks.

—Whipping little children until pain and exhaustion causes them to fall asleep may be the proper way to soothe them but the majority of the people do not so believe. Mothers who have never buried a child are not so tender with their little ones as those who beneath the green grass or the white snow, see little cold faces, silent and still forever.

—George W. Marlow, the prince of the St. Joe shoe merchants, is before the people of Holt county in the way of an attractive advertisement in this week's SENTINEL. Mr. Marlow is an old established merchant of that city, and the people visiting the fair should not fail to give him a call. We know all our ladies will, for he is the handsomest man in St. Joseph, so our "better half" says, and we "reckon" she knows.

—Messrs Minton & Burgess, of Forest City, will open a sample room in the Howell House, this city, where they will have for sale by sample, a complete line of general merchandise. —Mr. Minton has just returned from the East, where he purchased an immense stock of the very latest novelties. He will offer unprecedented bargains in all lines. The sample room will be presided over by that prince of salesmen, W. J. Armstrong.

—We noticed Judge Huiatt losing against a certain store last Saturday night in deep meditation. Upon inquiry we found that he was at a loss to know just how "the old fellow" was to raise that one thousand dollars for the building of that magnificent house on his prairie farm, which Lora Baker, the contractor, is about to finish in grand style. This will be one of the neatest and handsomest farm residences in the county and of which Joe Henry and wife will be proud.

—Professor Carnes now sings "by-o-baby hunting".  
—Miss Bettie Mank, White Cloud, is visiting friends in the city.  
—It is thought that Will Huiatt is on a fair way to improvement.

—General John A. Logan will be one of the orators at the Maryville reunion.  
—The Holman Dramatic Company will be here the first week in September.

—Our fruit grower, N. E. Murray will have a display of about 150 varieties of fruit at the Nebraska State Fair.

—Four boxes govern the world—the cartridge-box, the ballot box, the jury box and the band-box. Quer, isn't it?  
—Mrs. Kate Sheets, of Iowa, is visiting her brother, James H. Curry. She is accompanied by her interesting grand children.

—The weary and hungry can be properly cared for by calling on Mr. Howard at his restaurant, on the north side of the square, next door to King & Prout's drug store.

—A little grand daughter of Dr. Hunt, by name — Grindstaff, had the misfortune to fall in a gutter and break her arm on last Thursday. She is here from Iowa with her mother on a visit to Dr. Hunt.

—The J. W. Bailey Mercantile Company, of St. Joseph, asks you to call at their magnificent establishment when in that city. They are offering great inducements in all their lines. Read their advertisements elsewhere in this issue.

—The great variety store of Robinson Brothers, Felix st., is certainly worthy of a visit from you when in St. Joseph at the exposition. They have the largest stock of variety goods ever packed in one building, and you can buy almost anything you want at a ridiculously low price.

## THEATRE.

The "Holman Theatre Company" have favored the people of this place with a series of entertainments, the past week, which in every way commended themselves to the public. The class of plays presented are of the best quality and the ladies and gentlemen composing the troupe are, in their respective parts, thoroughly posted.

Withal, the whole troupe is pronounced a "first class" by our best judges; and are drawing a 2nd house. We wish space would permit us to notice each succeeding play, but we must be content to say we consider them a troupe of high order, remarkably well balanced and each possessed of a high degree of natural ability; thoroughly well trained and polished by years of experience and careful study. —Kear, (La.) Index.

## THE INSTITUTE.

The Holt County Normal Institute closed last Friday August 17th. The term proved very pleasant as well as profitable, and those who attended went to their several homes feeling that they will be enabled to do a much better work than they have done in their various schools. The reunion on Tuesday evening August 16th was pronounced by all a success. There are already thirty names on the list for next year's institute to be held at Oregon. The following resolutions were adopted by the institute. Whereas, We the teachers of Holt county have been highly benefited by our work in the Holt County Normal Institute; and Whereas, said institute has been a grand success and a great source of instruction as well as pleasure, and we feel and know the need of institute work among us as teachers, that we may be prepared to do better work in our respective schools.

Resolved, That we will each of us render every service in our power to make the institute of the year 1884 a model institute.

That we are highly pleased with the services of Prof. Holloway as instructor heartily recommend him as an instructor.

That we appreciate the gratuitous services of Prof. Drake for working so energetically for the institute and for teaching during the entire term; to Prof. Hill for teaching elocution and lectures delivered; to Prof. Ballenger as member of examining committee and teaching algebra; to Mr. M. C. Brumbaugh for teaching history; and to Miss Kate Evans for teaching elocution.

That the influence brought to bear upon the minds of the public through the press has done much to make our institute a success. That we tender our thanks to the citizens of Mound City for the hospitality shown and the interest manifested in the institute.

That we appreciate the favor of the school board for the use of the school house and apparatus. That we express our obligations to Miss Emma (Gottel) for use of her organ and to Mrs. Drake for assisting in music as organist, also to the Mound City band for music furnished at the reunion.

That we commend the Holt County Normal Institute to all teachers who were not able to attend this session as an excellent means of preparing letters for our work.
